1"	1/4"	1/8" - 27 NPT	LOW	NYLON OR HAIR	

Brushes can be produced in a variety of configurations and materials. What works for one application may not work for your application. We are interested in your specific needs. We can share our expertise with you to develop the proper Flo-Thru applicator for your particular job. We are only a phone call away - (313) 834-1070.

- Smoother flow brushing
- Less dripping with urethane primers
- Eliminates brush marks
- Sealer conservation
- Greater coverage
- Refined coverage
- Narrowed beads
- Pre-trimming available
